WHAT IS KYOUTEN?

It is a Japanese word for 'Holy Scripture' or 'Sacred Text'.
Master Okawa's Kyoutens are not material books/CD's/DVD's
but Heavenly LIGHT itself.

Staying under the Light of The Sun means to stay under the light of
El Cantare and to be *With Savior*.

It is a spiritual fact that we will be learning these teachings in future generations however NOW is the only time to learn them DIRECTLY from the Master, the Modern Day Savior. Studying all His teachings is to understand and absorb every facet of El Cantare's Diamond into our own soul.

The importance of receiving and learning all Master's *Kyouten* is a once in a 150 million year lifetime miraculous opportunity to study under the Savior, Lord El Cantare's teachings. Each of El Cantare's teachings are like a different cut of a diamond equally shining brilliantly. In order to truly polish and shine our diamond (Buddha-Nature), we must not pick and choose His teachings.

Often times there are precious and necessary teachings to be found in solving our workbook of life in the very *Kyouten* we may have been hesitant to receive and study. Receiving and studying all of Master's *Kyouten* is to walk the path to understand and love all kinds of diverse people.
